

Do you have patients paying out of pocket for medical procedures?

Ashley Regional Medical Center has partnered with Clear Health to offer personalized pricing to patients with an out-of-pocket responsibility. Services include Radiology, Labs, and Gastroenterology.

One Clear **Packaged Price** offered to patients prior to care at a lower cost due to advance payment

How it works:

The best part?

You just need to ask your provider to send the order to Ashley Regional Medical Center to take advantage of the discounted price.
