

Ashley Regional Medical Center's mission of *making communities healthier*[®] is at the heart of everything we do. It is deeply embedded in how we provide high-quality care for patients, expand and enhance our services, and make meaningful investments to promote the health and economic growth of our region.

For us, healthcare is personal. We are caring for our own neighbors, family, friends and loved ones. That's why we focus on advancing local care and keeping patients where they want to be – close to home. We are committed to meeting the unique needs of all those we serve, both inside and outside our hospital walls, and strive to be the preferred healthcare destination when our community members need care.

Together with Lifepoint Health and community partners like you, we continue to advance our mission and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. It is our privilege to serve you.

We are pleased to share this summary of our impact in 2025.

Alan Olive, MPH, MHA, CEO

2025 Community Benefits

Added new providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in emergency medicine, women's health, pediatrics, primary care and wound care.

Invested more than \$4.7 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included an orthopedics ultrasound replacement, orthopedics power technology updates and supply chain services updates.

Donated nearly \$9.4 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

Paid \$3,581,062 in taxes

We are proud to be a leader in our region, and our dedication to fiscal responsibility extends to both our hospital and community.

Distributed a payroll of \$26,867,367 to approximately 300 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.

<i>Payroll taxes</i>	<i>\$1,443,458</i>
<i>Sales taxes</i>	<i>\$338,454</i>
2025 Total: \$13,490,343	

Ashley Regional proudly sponsors and actively participates in local community events, like DinahSOAR Days, to foster strong community connections.

Ashley Regional Medical Center serves as a stroke receiving facility and a chest pain accredited center. It is also the only Level 4 Trauma Center and Level 2 Neonatal Intensive Care Unit (NICU) in the region.

Our Step One Services team participated in and provided education to community members at the Uintah Basin Energy Summit.
